God of Our Fathers

The Montana Veterans home has a rich history. Originally called the "Old Soldier's Home," it was completely self-sufficient. Fruit trees, livestock, and lots of good old elbow grease. They had access to the Flathead River for fishing. One photo shows a nun sitting in a window of the early dorm rooms. That building is called the chapel now. When we walk past this beautiful brick structure that is 100 years old, I often think of how things might have been back then. Less trash generated for sure. The food scraps were probably shared with the pigs. Soiled items were washed by hand, perhaps even on a wringer washer, and hung out to dry. Did they make their own soap and candles? Firewood as a source of heat provided yet another chore.

One definition of veteran is "old and experienced." We have a rich history in our AFLC as well. As new buildings are cropping up on the Medicine Lake property, I love to look back to where we started. Twitter, Instagram, Facebook, email . . . technology has changed the way we communicate. I still treasure an actual piece of mail and a phone call though, don't you?

Whether you are a veteran in the Lord or have only recently come to know Him as your Savior, the challenge for you today is: Give thanks for a rich history. The God of Abraham, Isaac, and Jacob lives and rules and reigns. Give thanks for the freedom we have in the "good old" USA. When one of our soldiers received a medal for his service in Korea, I congratulated him, and his comment to me was, "the ones that deserve the medal are still over there."

Some of you know I have been tasked with leading our AFLC women's organization. We have a greater population of veterans than newbies and are always looking for ways to prayerfully encourage our women on both ends of that spectrum. Thank you for joining us in that prayer today as you worship.

We trust the God of our Fathers to rule and reign in our hearts today. "He is my God, and I will praise Him, my father's God and I will exalt Him" (Exodus 15:2b).
